Futurity Champion  
Homozygous for the Black Gene

---

November 1, 2011

Dear Mare Owner,

Thank you for your interest regarding DGS IndyGo. We have been years searching for a Junior stallion to compliment his sire; Indian Artifacts.

IndyGo, a bay/brown 17.3 hand stallion by Indian Artifacts and out of the exceptional mare; Taking Invitations by Invitation Only, offers not only exceptional genetics for your consideration, but a winning stride that we expect he will pass along to his offspring.

Champion of the 2007 Just For Pleasure 2 YO Open HUS event and earner in excess of \$16,000, we were heartbroken to have his show career ended by a neck injury in the stall.

This year, in addition to the AQHA Incentive Fund, the APHA Incentive Fund, NSBA Stallion Incentive Fund, the NSBA Breeders Championship futurity, the Tom Powers Futurity and the Southern Belle futurity, "Early Bird" will once again participate in the KyQHA and the KyPHC Kentucky Breeders Incentive Fund program. Check the list of Foal Incentives and Engagements for a complete list of programs to promote his foals.

His first foals arrived in 2010 and they are stunning! We hope you will consider DGS IndyGo for the coming breeding season and become part of the future of the hunt seat. Enclosed are his 2012 breeding documents. Look to our excellent incentives to help you save on your breeding expenses this season, and book early to earn your largest discounts!

Please contact us if you would like additional information, I may be reached on the farm at 859.846.5000 or on my cell at 419.573.9098.

Sincerely,  
Robin
