2X Congress Reserve Champion/Superior HUS

November 1, 2011

Dear Mare Owner,

Thank you for considering breeding your mare to *Indian Artifacts*, in the 2012 season. At DeGraff Stables, we are committed to breeding gorgeous, conformationally correct horses that have great minds, an abundance of athletic talent, size and are competitive on the flat in Hunter Under Saddle, on the Longe Line, in Dressage and over fences in AQHA, USEF and USDF events. Enclosed you will find the breeding contract package as requested.

We continue our excitement about this exceptional stallion's performance as a leading Equistat, Quarter Horse and NSBA sire, as well as his potential to sire winners in other venues: 2011 Congress Top 5 & Top 10 Champions, 2010 Congress Champion and multiple Top 5 & Top 10 Champions, 2006 Congress All-Around Champion, 2007 Congress Champion, NSBA & Multiple Futurity Hunter LL Champion, USDF 2010 Year End Dressage Top 10 Champion, 2006 Year End Dressage Champion, 2007 AQHYA World Top Ten, 2007 Congress Pleasure Driving Top Ten, 2006 AWR Inspection Champion & Res Champion, 2007 Eventing Champion and Multiple AQHA Superior earners.

In 2011, there were many offspring AQHA World Show Qualified in Hunter Under Saddle, Over Fence and in Pleasure Driving events. In 2010, Indian Artifacts has many offspring racking up Hunter Under Saddle and LL Futurity Championships. We are excited to announce that Indian Artifacts was #1 on the List of the Top 100 Sires for 2007 English Longe Line, and that in 2007 he was #1 on the Top 100 Sires for Lifetime Earnings English Longe Line! Indian Artifacts is 12th on the Top 100 Sires List for 2007 HUS Earnings, 13th for 2007 English Pleasure and 34th on the Top 100 Sires list for Lifetime HUS Earnings! We would like to extend a huge thank you to all the owners, exhibitors and trainers whom have helped make this possible!

In addition to his long list of Foal Engagements enclosed, he has moved to Kentucky so that mare owners may participate in the Kentucky Breeders Incentive Program! Strong promotion for this exceptional sire is further evidenced by the *Indian Artifacts* \$30,000 foal incentive Program! \$10,000 to the First World Show Super Horse Champion! And, \$20,000.00 in *Indian Artifacts* Incentives to the First of *Chief's* foals to win the 3 YO Open Miller HUS Futurity at the Congress or the Junior HUS Class at the World Show! Split = \$10,000 to Owner, \$5,000 to Breeder and \$5,000 to Trainer.

Indian Artifacts is the only breeding stallion today whom holds an AQHA World Championship title and an AWR Inspection Champion title with a full breeding license. We are proud to offer Indian Artifacts' AWR Registry to Warmblood mare owners and their resulting foals. He has a great color producing percentage when bred to APHA or ApHC mares. And, in addition to the multiple engagements we support for the colored breeds, the AWR offers mare owners an additional registration for their foals; whether or not the foal obtains the color and/or traits required for actual breed registry.

*Indian Artifacts* stands in 2012 at our DeGraff Stables/Liberty Farm, a state-of-the-art full service breeding facility. If you have any questions, I may be reached at our stables by calling 859.846.5000 or, on my cell at 419.573.9098.

Thank you!

Robin DeGraff, DeGraff Stables
