APHA Unanimous World Champion (AQHA/APHA)

November 1, 2011

Dear Mare Owner,

Thank you for your interest in breeding to our APHA and NSBA Unanimous World Champion; Hes A Cool Hotrod. Enclosed per your request are his 2012 breeding documents. Look to our excellent incentives to help you save on your breeding expenses this season. Book early to earn your largest discounts!

We are extremely excited about Hotrod's foals. His first foals arrived in 2008 and from limited crops, they are proving themselves exceptional. In 2011, his first foals are showing under saddle; Hes Perfectly Hot (AQHA/APHA), as of 10/25/11, is #2 on the APHA Honor Roll in 3YO Open Hunter Under Saddle and is also #6 on the APHA Honor Roll in Green Western Pleasure! Shes Perfectly Hot in 2010 was APHA Open LL Champion with Ty Hornick and Top 5 with owner Carrie Nickerson in Amateur LL! Hands Off My Hotrod with owner Adrienne Cober was APHA World Champion In-Hand Trail and Top 5 SPB Longe Line Champion! Hesa Special Hotrod was the first yearling to be named BOTH Open and Color Longe Line Champion in the history at the Tom Powers Futurity and also was named Champion at the Reichert and Top 5 at the 2010 APHA World Show! Another exciting foal to watch for next year under saddle is Shes Cool And Sassy, bred by Seabreeze Pleasure Horses, was Reserve in the Non-Pro LL Color Breed at the Tom Powers Futurity.

Hes A Cool Hotrod is a double registered APHA/AQHA stallion. He was sired by Certain Potential and is out of EBG Prissy Lady. He stands 15-2. "Hotrod" won 1st under all five judges at the 2005 APHA World Show in the yearling longe line. He trained up great as a two year old with Ty Hornick, but after an unfortunate injury he was unable to show off his terrific talent in the show pen.

Quarter Horse, Appendix Quarter Horse and Thoroughbred mares will be able to have their foals obtain dual registration with both the AQHA and APHA! Exciting thoughts for the futurities! This year, in addition to the AQHA Incentive Fund, the APHA Incentive Fund, NSBA and NSBA Breeders Championship futurity, the Tom Powers Futurity, the Southern Belle futurity, "Hotrod" will once again participate in the KyQHA and the KyPHC Kentucky Breeders Incentive Fund program.

Hes A Cool Hotrod has a great personality to match his outstanding talent! He has four large belly spots, a nice neck and a very pretty face! Couple these traits with his flat, cadenced and balanced gaits, and you have the foundation for producing great offspring.

Please contact us if you would like additional information.

Sincerely,
Carrie Nickerson
