APHA Reserve World Champion

2012 FOAL INCENTIVES AND ENGAGEMENTS ~ HOT LOPIN SENSATION

Carrie Nickerson and Seabreeze Farm have provided several breeding services to *Hot Lopin Sensation* to be donated to select associations for the promotion of his resulting foals. The mare owners who purchase these breedings are much appreciated as their breeding donation helps build the prize funds and purse monies available for the offspring. Additionally, value is added to the young stock as they enter the show ring to compete for the funds available through these Breeder's Incentive Programs and Local State Breeder' Futurities. We invite you to contact any of the organizations as listed below and find out details regarding their programs. We hope you will take advantage of the breeding fee discounts that are available to *Hot Lopin Sensation* by supporting these stallion service auction programs. All breedings have a Live Foal Guarantee. Please contact DeGraff Stables if you need any help.

Organization or Futurity	Website	Status/Fees

Purchase a Stallion Service Auction or Donated Futurity and Automatically Donate to Charity!

DeGraff Stables is pleased to continue in 2012 the popular DGS Charity Program from 2011. We will once again donate \$100 of each \$250 Futurity Breeding Booking Fee to the Charity of the Mare Owners Choice from our list of eligible organizations: The Jimmy V Foundation, Make A Wish Foundation, Big Brothers Big Sister, USPEA Para-Equestrian, The Black Stallion Literacy Foundation, CKRH Horses For Heroes, USPC Pony Club and the Victory Gallop Therapeutic Riding Center. When you pay your booking fee, make your selection and advise us as we process your stallion breeding contract, we will contact the appropriate organization and will donate \$100 of each booking fee to the charity! As a mare owner, you may also choose to match the donation. Send in an extra \$100 and we will also forward this in your name to the Charity. We thank the many people last year whom also chose to help us help others. A sincere thank you to all whom participate!

*******Terms and Conditions for Purchasing the Futurity Breeding ~ Please read carefully! *******

Almost every futurity has different terms for the sale of the breedings for their association. Please take time to find out exactly what to expect in costs. When we submit a breeding fee for *Hot Lopin Sensation*, we subtract from his published fee the inherent costs that make up his total fee; this results in a true "stallion fee" for the Association to use as a basis for the beginning bid or amount owed to the Association. The purchaser will owe a \$250 Booking/Chute Fee and be responsible for Shipping Fees or Farm Charges to be paid separately to DeGraff Stables. Each Association determines the percent of the "stallion fee" plus any office charges to be paid by the mare owner to the Association. All in all, we are pleased to supply the mare owner with the opportunity for a substantial discount for their breeding donation that supports the association and promotes the foals of *Hot Lopin Sensation*.
