

For Immediate Release: DeGraff Stables, Inc. October Charity Promotion
“Victory Gallop – Making A Difference in the Lives of Children!”

Through a long-term commitment, Victory Gallop, Inc., a nonprofit organization, is known as a therapeutic riding program that clients, supporters and employees see as a unified group of individuals striving to improve the quality of life for children with behavioral and/or emotional challenges and life threatening illnesses through recreational riding and therapeutic use of horses.

Victory Gallop, located in Bath, Ohio and with world-wide chapters, is a place where children, ages 3-18 years of age, with “invisible” impairments and life-threatening illnesses are accepted for who they are and was developed to meet the needs of these often overlooked and under-served children. It provides an environment where children can learn, grow and succeed through their relationship with the horse. The farm is a place where a child can find a friend who is willing to listen and offer encouragement and support. There are high expectations for hard work, hand in hand with a supportive framework of caring volunteers who help each child build their self-esteem while they learn about riding and caring for the horses. For more information visit the website at www.VictoryGallop.org .

At DeGraff Stables, we are pleased to donate \$100 of each \$250 booking fee collected for a Futurity or Donated Stallion Service Breeding purchased by a mare owner. We couldn't make these donations possible without the support of our stallion owners! DeGraff Stables thanks Seabreeze Pleasure Horses, Ironwood Acres and the HBF Iron Man Partnership whom donate breedings to the many futurity programs that help fund the show prize funds for the resulting offspring. The mare owners that purchase these reduced rate breedings are additionally appreciated for their participation as the offspring are able to accumulate valuable earnings and this adds value to the foals and their sires.
